# PROTECT. SERVE. SAVE LIVES.

Heroes for Life unites first responder organizations in a powerful way, to support blood donations that help save lives across our communities. You've committed to protecting and serving every day, and now, through blood donation, you can extend that impact even further.

## ABOUT US

ImpactLife is the exclusive provider of blood products and services to more than 120 hospitals in Illinois, Iowa, Missouri and Wisconsin. We rely on the generosity of volunteer blood donors and community partners who host mobile blood drives to provide a critical resource for hospitals throughout a four-state service region.

We are a 501(c)(3) nonprofit blood center, established in 1974.
